TITAN™ KETTLE

Versatile enough to be a pot, mug or bowl, this ultralight titanium kettle complements the Titan 2 Pot Set perfectly. The Kettle holds .85 liters of liquid and comes with a tight-fitting lid and drip-free spout for smooth, easy pouring. Team with Titan Tool Spoon (sold separately) for a bare-minimum "solo" cookware kit.

FLEX™ 3 SYSTEM

FLEX™ 3 POT SET

Group cooking and non-stop road-warrior use calls for bigger pots with added versatility, and that's what you get with the Flex 3 System. High-capacity, hard-anodized aluminum pots with both coated and nonstick surfaces open up your options for cooking while mugs and plates for three add comprehensive cook and eat utility. It's perfect for cooking larger or more-involved meals on group adventures—whether you're heading into the backcountry or road tripping through the Tetons.

Includes: (1) 2.3L nonstick DuraLite™ DX pot, (1) 3.3L hard-anodized pot, (1) strainer lid, (3) DeepDish™ plates, (3) stainless steel insulated mugs, (1) Talon™ pot handle.

FLEX™ 4 SYSTEM

FLEX™ 4 POT SET

This is our highest capacity, full-featured cook system for groups of 4 or more. Including a big, hard-anodized 5.3L pot, and a 3.2L nonstick, you can fix a feast for the whole posse on a road trip, while its compact nested design makes it a great option for big river and group backpack trips as well. You get an extra Strainer Lid for maximum efficiency, plus plates and mugs for four.

Includes: (1) 3.2L nonstick DuraLite™ DX pot, (1) dual-handle 5.3L hard-anodized pot, (2) strainer lids, (4) DeepDish™ plates, (4) insulated stainless steel mugs, (1) Talon™ pot handle.
